3rd Edition

IEEE/OES OCEANS Conference, the forum with the largest scale
in the oceanic science technology industries.

Jerry Boatman President, MTS

This year's Spring Oceans Conference will be at the Ocean Resort in Yeosu, Republic of Korea. We eagerly anticipate attendee participation in our OCEANS Conference, and attendance at activities at EXPO 12.

You will enjoy the beauty and activities available at The Ocean Resort – we encourage you to bring your family and share the experience while taking in the beautiful sights in the Yeosu area.

Jerry Carroll President, IEEE/OES

This year's Spring OCEANS Conference will be a very unique experience for attendees. The conference will feature the Living Ocean and Coast with EXPO 12. This will be a great opportunity for the attendees to participate in our OCEANS Conference and to see some of the most pristine wetlands in the world.

You are invited to present your paper at the Conference and/or attend the events. For exhibitors this will be a great opportunity to present your latest technology.

Chang-Gu Kang President, KAOSTS

On behalf of the LOC of OCEANS'12, it truly is my honor to publicize that the IEEE OCEANS will be held at The Ocean Resort from May 21st to May 24th, 2012.

It is expected that approximately 300 papers will be presented and the exhibition will show its great presence along with generous sponsorship of around 70 governmental organizations, institutions, and enterprises. Also, as well as America and Europe, countries in Asian region will participate actively to extend range or international network. To realize unprecedented success of OCEANS'12, I, with all of respect, ask you to show your attention and participate in the OCEANS'12.
